

Due to Governor Murphy's Executive Order No. 104
State of Emergency for "COVID-19".

Garbage and Recycling pickup will remain on the Winter schedule.

This is to limit exposure to Public Works employees.

As the situation changes adjustments may be made to the schedule.

Zone 1

East side of Riverdale

Garbage pickup is Monday and Thursday

Recycling pickup is Wednesday

Zone 2

West side of Riverdale

Garbage pickup is Tuesday and Friday

Recycling pickup is Wednesday

Cardboard Recycling Preparation

If cardboard was used for shipping, you must remove any shipping materials such as packing peanuts, plastic bags and bubble wrap.

Boxes must be flattened and tied, or they will not be picked up.

For boxes that contained large items, you must fold or cut the cardboard box in half. It must fit in your recycling container or be tied at the curb.

For boxes that are food-soiled (such as pizza boxes), cut out any oil stains before recycling. Food soiled cardboard doesn't have a recycling market.

Go to www.MonmouthBeach.org or the App store to get your free

The Recycle Coach link (<https://recyclecoach.com/>) will notify you of the schedule changes.

We thank the Monmouth Beach Residents for your help
