

MONMOUTH BEACH TREE ORDER FORM 2024

In an effort to reforest and restore the canopy in our beautiful town, the Monmouth Beach Shade Tree Commission is offering up to FOUR trees and FOUR shrubs per resident. The homeowner's price is \$250 for the majority of trees, which is a fraction of the actual retail cost. We are offering a diverse selection of trees this year along with our first ever offering of a flowering shrub at the low price of \$99!

The trees and shrubs, all native to this part of the East Coast, will be planted, staked, fertilized and mulched for you in the late fall. They may be planted anywhere on your lawn, with the exception of trees under power lines or too close to the home, as approved by the Shade Tree Commission. Preference given to front yards.

AVAILABLE FOR PURCHASE BY JULY 31ST*

**Maximum four trees and four shrubs. While supplies last.*
